

New Mexico's March 2017 Site Update

From Elizabeth Shurter

We had a fun time at this month's Buffet and Bowling event at the Santa Ana Casino. Really great to see some new members!

Here is **time critical** information about our May event. Join us on May 22nd for a noon time Isotopes game! If you love baseball or even just ballpark food and good company, come on out! But you must **act now** to get seats with the IRO group.

Tickets are \$14.00 at the ballpark or \$19.00 on-line. We will gather in Section 106 rows Q or R (shaded!). Get the lowest seat number possible in either row to join other IRO folks. There is NO HOLD on these seats so get them quickly before they are snapped up by non-IRO folks!

On the local news front:

Our NM group will have Gina Trujillo back as the Site Coordinator! Most of you remember Gina as she was the site coordinator until a great job pulled her away last year. Mark Jurkowski will continue to give Gina the help he has given me. Please give a Welcome Back to Gina and send any suggestions you have her way!

Also, Jason Maxwell wants everyone to know that Intel NM is forming its golf league. They will play Tuesdays at 4:00p.m. at either Santa Ana or Twin Warriors golf club. They are looking to expand their teams and plan a scramble on April 19th. There are already several retirees in the league but want to make sure all retirees are included. For more info, please contact Jason @ JasonAMaxwell@gmail.com
