

2017 Annual IRO Dinner, Folsom

By: Vicki Valens

Happy New Year to all
and a big THANK YOU

to those who attended IRO's 2017 Annual Retiree Dinner. We were a small group this year but enjoyed the evening with good food, good people and an excellent speech by Upendra Kulkarni. Intel is in the data storage business and making a mark!

The Empire Ranch Golf Club has been very good to our group, and once again, helped us by keeping costs down. The Club is undergoing some updating with new tables and chairs, a new Catering

Manager, and a fresh new look in the works. The service and food were excellent as always.

As announced at the dinner, and posted in our December

News Flash, I have resigned my position as IRO's Folsom Site Coordinator at the end of 2017. We have 3 retirees, so far, interested in the position and I imagine it will be filled by the time this story is posted. I have enjoyed my four years with you and appreciate your support! Don't forget that your participation makes these events possible!

I have enjoyed being your Site Coordinator for the past four years and look forward to sitting on the other side of

the podium at future events.

Look who signed up for our 2017 dinner!
