Glossary

- **Benevity:** Global leader in online workplace giving, matching, volunteering, and Intel's 3rd party supplier for the US Employee Matching Gifts and Global Intel Involved Matching Grants programs.
- **Cause:** Any charitable organization or school within the Benevity system.
- **Causes Portal:** Benevity's website where Causes go to register and complete the self-certification required by Intel in order to be eligible for our programs.
- **Self-Certification:** A questionnaire Causes are required to complete when they register that covers the cause's practices on anti-discrimination, secular use of funds, political affiliation, deployment of funds, and other legal compliance. No Cause can be approved for Intel without a completed self-certification.
- **American Online Giving Foundation (AOGF):** Is the donor advised fund that facilitates distributions to US registered charities through Intel Involved program.
