

2017/2018 IRO Accomplishments

- 1) A process to validate official retiree status implemented.
- 2) New website designed and launched, providing better search, new content, improved placement and greater security. In addition, documented and communicated changes to membership.
- 3) News Flash redesigned, improving layout and adding graphics and color. Expanded content to provide links to Intel business information.
- 4) Worked closely with Intel on retiree transition of the Intel Involved program to a new vendor (**Benevity**).
- 5) Worked closely with Intel on retiree transition to Intel's new discount vendor (**Beneplace**).
- 6) Piloted and adopted **Forums** as a communications channel.
- 7) Piloted and adopted **Webinars** as a communications channel.
- 8) **"Important Retiree Dates"** calendar created and posted with fixed retiree deadlines.
- 9) Enlisted retiree support for Intel's 50th Anniversary Campaign and Storytelling project.
- 10) Website announcements posted on Facebook.
