

2019 Arizona IRO Annual Dinner

A huge thank you to Ginni Overberg (left), Patty Emanulson (right) for planning, coordinating and hosting this awesome event! Their hard work was greatly appreciated by attendees.

The Arizona site annual dinner was held on November 14 at the Embassy Suites Hotel in Tempe.

A total of 69 people were in attendance to enjoy the meal and reminiscing with their former co-workers.

Thanks Embassy Suites!

Our guest speaker was Shai Rubin, VP in Manufacturing and Operations and factory manager for Fab/Sort Manufacturing. Based in Arizona, he is responsible for operations at four Arizona fabrication facilities that currently produce client, server, modem and system-on-chip (SoC) products. Shai has been at Intel since 1996 and has held numerous leadership positions at sites around the world.

Happy drawing winners!
