IMPACT

“It is nice to know you have a second family that is there for you. You are awesome Intel and team.”

“THANK YOU Intel & Team for demonstrating truly Great Place to Work in extending support & relief to our Intel employees in Texas.”

“Thanks so much for helping the communities where we reside and operate.”

“Thank you. I'm in California but my family in Texas (and my mother and sister who were visiting) were housebound without water and power for 9 days. I try and support Intel's fundraisers whenever I can but it's different when it's your immediate family that's impacted. Thank you Intel for bringing water in and thanks to everyone who donates.”

“Thank you Intel for doing this! I love it when we are able to help people and communities in need!”

We are extremely grateful for your involvement and appreciate your continued support in our future campaigns as well. Your efforts truly demonstrate the embodiment of the OneIntel framework.
