DISCOUNTS – Deborah Wright, Chairperson

INTEL BADGE REPLACEMENTS ARE NO LONGER AVAILABLE MORE THAN 10 YEARS AFTER YOU LEAVE INTEL

As of August 2021, Intel will no longer provide replacement badges for retirees whose last day was more than ten years prior to the date of the request for replacement. For example, if you retired in March 2008, and you request a badge today, Intel will NOT provide one, because September 2021 is 13 years and 6 months after March 2008. If you retired in August 2014 and request a badge today, Intel WILL provide one, because it's only 7 years and 1 month after August 2014. Purchases from the EPP Store (including McAfee) are NOT affected, but some purchases from the Employee Discount Store (Beneplace) ARE affected. [More about the change here.](#)
