UPDATE! SERMA PROCESSING ERROR
If you are enrolled in COBRA or one of the Intel retiree medical plans (IRMP) and [using your SERMA funds to pay monthly premiums](#), please be advised there was an issue causing January SERMA payments to be deposited into your checking account or sent to you via a mailed check in addition to being applied toward your monthly premiums.

TAX FORM 1095-A - WHAT IS IT? WHAT DO I DO?
Retirees will receive a 1095-A if they were enrolled in a retiree plan, IRMP, or had a SERMA balance in the past tax year. You should receive it by mail no later than mid-Feb. It may be available in your [HealthCare.Gov](#) account as well. The ACA requires employers to report retiree health coverage to the IRS. You must have your 1095-A before filing your taxes. Consult with your tax advisor if you have questions. Visit [How to use Form 1095-A](#) for more information.
